Clay Clumping Power Just Got Better!

SmartCat Lightweight Clumping Litter is 1/2 the weight of traditional clay litters. This litter creates a rock hard clump, that you have to see to believe. Not only is the clumping unbeatable, this litter is also lightweight. Our technology stops odors on contact, and is 99% dust free. Your cat will thank you for choosing SmartCat litter.

No Smell-Can't Tell

Your home shouldn't "tell" on your cats. Our litter eliminates odors because it absorbs liquids and clumps so quickly that odors don't even have a chance to release into the air.

Breathe Clean

You shouldn't have to inhale dust whenever you pour or scoop litter. Since SmartCat Clay Clumping Litter is more than 99% dust free, your litter box and surrounding area will be cleaner and healthier.

LITTER BOX SMART TIPS

- At transition use 50/50 mix of new litter with existing litter for one week. After that, use new litter exclusively.
- Place litter box(es) in a quiet area with easy access. Use 1 litter box per cat plus 1 additional box.
- Locate boxes where cats will not have to travel far, with at least one box on each floor.
